Sabbir Hossain Ujjal

Team Lead @ML Team of ACI Limited || ML Engineer @ACI Limited
|| Champion of Datathon 3.0 || EEE Graduate @BUET ||
Dhaka, Bangladesh

Summary

Highly motivated and enthusiastic graduate from the department of Electrical and Electronic Engineering (EEE) at Bangladesh University of Engineering and Technology (BUET). I have an active interest in deep learning, natural language processing, conversational AI and computer vision and worked on different projects involving these domains. Currently I am researching on natural language processing and conversational AI. I am really eager and want to broaden my knowledge and experience while also contributing to high-level industrial activities.

Experience

ACI Limited

1 year

Technical Team Lead

August 2024 - Present (2 months)

Dhaka, Bangladesh

Machine Learning Engineer

October 2023 - July 2024 (10 months)

Dhaka, Bangladesh

AiEdgeInside

Machine Learning Engineer

August 2023 - October 2023 (3 months)

Bangladesh University of Engineering and Technology
Student

March 2018 - July 2023 (5 years 5 months)

Dhaka, Bangladesh

Education

Bangladesh University of Engineering and Technology
Bachelor of Science - BS, Electrical and Electronics
Engineering · (2017 - 2022)

Dhaka College
Higher Secondary School Certificate, Science · (2015 - 2017)

Shamsul Hoque Khan School & College
Secondary School Certificate, Science · (2007 - 2015)
